### **3. RANKING RELEVANT EVENTS**

A player with a currently active FIR Player Licence earns ranking-points when entering and playing in a FIR Tournament as defined in the FIR Tournament Regulations, except for Team Events (FIR National Team Event and FIR Champions League), which are not eligible for FIR Ranking Points.

The player's tournaments in the previous 24 months eligible for Ranking Points are

- ten (10) best tournaments of the categories World Championships (WC), Continental Championships (CC), Super World Tour (SWT) and/or International World Tour (IWT) and
- two (2) best Challenger (CHA) tournaments

However, taking into consideration, that only the maximum number eligible for Ranking Points are:

- 1 World Championships (WC)
- 1 Continental Championships (CC)
- 4 Super World Tour tournaments (SWT)

In case a player has within the 24 months period played more than the above maximum number of WC/CC/SWT tournaments, the best one resp. four tournaments (e.g. the best 4 SWT) shall be taken into account.

### **4. RANKING SPECIFICS**

#### **4.1. Points Matrix**

The Ranking Points are rewarded according to the FIR Points Matrix (Annex A) as updated, amended and published by the Council of the FIR at the latest by January 1 of the relevant year.

#### **4.2. Minimum Draws**

FIR Ranking Points are only awarded if at least three players have taken part in the respective class.

### **4.3. Multiple Entries**

If a player enters two classes in the same category (e.g. in Seniors' classes) only the class that has awarded more points will be taken into account for the ranking.

If a Senior player enters an open class (e.g. Women's B), then these ranking points will also count towards their Seniors ranking points. If a Senior player enters both an open class and a Seniors class, then only the best result will count.

A woman entering an Men's open event (e.g. Men's B), will be awarded only Men's ranking points for that result.

### **4.4. Ranking carry-overs**

The year a player becomes 40 years of age he/she will also be ranked in the Seniors category. The ranking points earned in Men's or Women's classes will count, as is, for the Seniors ranking.

The year a player becomes 22 years of age he/she will be removed from the Junior's ranking and the points.

### **4.5. Removal from the FIR Ranking**

A Player is removed from the FIR Ranking if he has not played in a FIR World Tour event during the last 24 months or on his request per E-mail to FIR.

## **5. PUBLICATION OF THE RANKINGS**

The FIR Ranking is published on the 1st day of each month.

## **6. FINAL PROVISIONS**

### **6.1. Coming into Force**

The FIR Ranking Regulations were passed at the Councils Meeting of the FIR and shall be valid as from January 1, 2016.

### **6.2. Amendments and Modifications**

The FIR Ranking Regulations can only be amended and modified by the Council of the FIR.

## **7. INTRODUCTORY AND TRANSITIONAL PROVISIONS**

In order to convert to the new the ranking system, on January 1, 2016, the Senior's and Junior's ranking points for all tournaments of 2014 and 2015 will be recalculated using the new Ranking Matrix.

In future years, e.g. on 1.1.2017, the Open ranking points of players who will turn 40 that year, will have their Open ranking points also converted into Senior's ranking points, as was performed as standard for +45 Seniors on 1.1.2015.
